"I have searched the web and used different worksheets, but none have come close to your worksheets and descriptions of (what to do and what not to do). Both courses I have taken have with Creative Writing Now have been amazing. Each time I have learned something new. The one thing I love, you take everything apart and give examples."

- Katlen Skye

- Kitty Safken

"[Essentials of Fiction](#) proved that I could indeed write and I wrote every day, much to my boyfriend's dismay (waa sniff)."

"It was a nice journey for me to be able to write in answer to your e-mail lessons. Being able to post the answers on WordPress is exciting. I had not done that before taking your writing class. I plan to take another

of your e-mail class, either the 8-week descriptive or the new poetry class."

- James Sciullo

"The Irresistible Fiction course is going well. I see why it's a bestseller. I can't wait for the next email."

- Kayode

"Thank you so much for putting together this writing course. It was of good value to me as it got me started thinking more deeply about my characters. I don't have a lot of time to write, working two jobs, but I am doing the ten-minute exercise with each lesson, and each evening, trying to get in the habit of sitting myself down to write... I would recommend the course to anyone."
